FOOTPRINT SUNSHINE STEIN

MATERIALS

- C01902 – Large Stein
OR any x-large mug
 - #6 Fan Brush
 - #1 Short Liner
 - Pencil
- CMM47 Deep Sea
- CMM18 Pumpkin Pie
- CMM19 Banana Boat
- CMM31 Licorice

TIPS

- For the best prints, apply the color as evenly as possible. Too thin and your print will not show all the way. Too thick and the print will not show the texture of the skin.
- After you have evenly applied the color, gently place the foot onto the pottery. Make sure to apply pressure to each toe and the arch of the foot for a nice, balanced print.

4. With the liner brush, paint 2 coats of Banana Boat on the sun.
5. With the liner brush, paint 2 coats of Pumpkin Pie on the inner bands around the top and bottom of the stein.
6. With the liner brush, paint 2 coats of Deep Sea on the outer bands around the top and bottom of the stein.
7. Lastly, trace over the lettering with the liner brush and 1 thick coat of Licorice.
8. Sign and date the bottom of the stein.
9. Leave your pottery with your local Color Me Mine studio to be glazed and fired. Your masterpiece will be water and food safe.
