Create this juicy summer platter.

LEMON WEDGE PLATE

MATERIALS

- Rainbow Plate • Pencil
 - #6 Fan Brush
 - #6 Round Brush
 - #2 Round Brush
 - #4 liner brush
- White French Dimensions or Writer Bottle

CMM Colors:
46 - Sunny Side Up, 25 - Safari,
67 - Snow Flake

TIPS

- Before you begin, wipe a damp sponge over entire bisque to remove dust and contaminants.
- To use writer bottles, remove lid and tip. Using a skewer or thin stick, stir the paint well. If needed, add a tiny amount of water and stir well. Replace tip and test on paper for desired flow.

INSTRUCTIONS

1. Lightly with pencil sketch sections of lemon leaving approximately an inch for rind around edge of plate and $\frac{1}{4}$ " between sections. Refer to picture.
2. Brush each lemon section with 3 coats of Sunny Side Up. Dry well between coats.
3. Brush approximately $\frac{1}{2}$ inch around edge of plate (outer lemon rind) with Sunny Side Up also. Dry between the 3 coats.
4. Brush 3 coats of Snow Flake in the lemon center, section lines, and inner part of rind. Let dry.
5. Pour a small puddle of Safari on palette and using #4 liner brush, paint around each section and make a few irregular lines within each.
6. Outline each of the yellow lemon sections with the French Dimensions or writer bottle and add some wavy lines within each to create a "juicy" look. Let dry.
7. Brush 3 coats of Sunny Side Up drying well between coats. Let dry completely.
8. Leave your plate with your local Color Me Mine studio to be clear glazed and fired. Your ceramic masterpiece will be water and food safe.
