## INSTRUCTIONS

1. Start by painting the pumpkin base and lid with 3 coats of Orange Juice using a fan brush.
2. After the lid dries, paint the stem with 3 coats of Gecko Green using a medium brush.
3. Once the orange paint is completely dry, use a marker to gently sketch on a face. Use the small brush to apply the eyes using 3 coats of Licorice to the eyes, nose, and mouth.

## TIPS

- 3 coats of paint will give you nice solid colors.
- Don't be too stressed about the face being perfect, we are going for cute and quirky
- The harder you push down on the brush, the thicker the line will be. So when you're using the small brush use gentle pressure
