## INSTRUCTIONS

1. Paint 3 coats of Mocha Java on the whole bottom of the box.
2. Paint 2 solid coats of Snowflake on the top of the box.
3. Using a writer bottle filled with Licorice, draw a horizontal line across the heart about 1 ½ inches down from the top of the box. Use the writer bottle filled with Licorice to make the 5 vertical lines that go from the black horizontal line to the top of the box. Make sure they are equally spaced apart.
4. Using writer bottles filled with Mocha Java, Chiffon, Carnation, and Red Rocks, make a squiggle in each color between the vertical lines at the top of the box.
5. Hand paint 4 different colored hearts beneath the horizontal black line in 2 coats of Mocha Java, Chiffon, Carnation, and Red Rocks.
6. Using the writer bottle with Licorice, add strings in a loop from the top of each heart to the horizontal black line.
7. Lastly, when the hearts are completely dry, add designs inside the hearts using a writer bottle filled with Snowflake.
